

ANNOUNCES
3rd EGA SYMPOSIUM ON BIOEQUIVALENCE
Training for Industry on the Revised Bioequivalence Guideline
with Pharmacokinetic Assessors

28 April 2010

De Vere Venue
1 Westferry Circus, Canary Wharf
London E14 4HA - United Kingdom

Organised in cooperation with pharmacokinetics assessors and the CMD(h), this 3rd joint symposium will gather European PK Assessors, Members of the CMD(h) as well as bioequivalence experts from the European Generics medicines Association (EGA)

This year's edition will be **exclusively dedicated to the revised EMA Bioequivalence guideline**
<http://www.ema.europa.eu/pdfs/human/qwp/140198enrev1fin.pdf>
It will offer a unique discussion platform for industry and regulators to gain essential updates and clarification on the new concepts and approaches now part of the bioequivalence guideline.

This symposium represents one in a series of initiatives being taken by the EGA in conjunction with EU authorities to help improve the efficiency and working of the EU approval system.

In October 2008, this event assembled over 100 representatives of generic pharmaceutical companies and nearly 40 representatives from agencies and academia.

SPEAKERS

Speakers will include experts from the regulatory authorities, CMD(h) and pharmacokinetics assessors as well as experts from the generic medicines industry.

REGISTRATIONS

Registrations will close on 19 April 2010 on www.gpaconferences.com/ega.htm and, due to a limited number of places, are subject to availability.
